DB Netz AG offers individual agreements for the use of peripheral facilities which were installed before 01.01.2003 (with the exception of train preheating systems) at 50 % reduced charges.

Ancillary and consumption costs

Depending on the type of cost, these are charged either as a flat rate, according to the causing party or the actual consumption.

All charge rates and factors apply from 13.12.2009 to 10.12.2010.

Further information about charges is contained in the "List of Charges for Service Installations", which is available on the Internet at www.deutschebahn.com/fahrweg --> Serviceeinrichtungen.

All prices are stated exclusive of VAT at the applicable rate. The Terms and Conditions Governing Usage of Service Installations of DB Netz AG (TCUSI) have sole validity. These are published on the Internet at www.deutschebahn.com/nbs.
